Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: The topic of the Interview was confined to the Status of the Claims as implied by the Election in reponse to the Restriction / Election-of-Species Requirement mailed 5/9/06. Applicant inquired specifically whether claims 15-19 will be examined next time, which examiner again confirmed, and also asked why claims 12-14 do not read on the elected invention. Examiner responded that claim 12 is non-elected because Species 2 is non-elected while claim 12 recites a bypass circuit; and that claims 13-14 are non-elected because Species N2 is non-elected, whereas claims 13-14 through claim 13 recite two nuclear reactors.
